# 11.4.0 CROSS SECTOR LINKAGES AND EMERGING ISSUES/CHALLENGES CONCLUSIONS/RECOMMENDATIONS. 11.4.1 Cross Sector linkages The sector is largely aimed at economic empowerment of the citizens of the county. To achieve this, its activities cut across several sectors in which there must be collaboration. This is both vertical and horizontal. These include the National government ministries of Industry, Trade and Cooperatives, Tourism, Agriculture, Interior, Transport among others. These ministries provide

policy guidance among others. Several state corporations including, SASRA, KIE, ICDC, KEBS among others.

The department will continue collaborating with all these Institutions for further development of the sector.

In pursuing its mandate, the department recognizes major cross cutting issues and therefore strives to incorporate them in its operations as indicated below:

Table 11.4.1 cross sector linkages and emerging issues/challenges conclusions/recommendations.

| CROSS<br>CUTTING<br>ISSUE   | WHAT WE INTEND TO DO.  | CHALLENGES   | RECOMMENDATION  |
|-----------------------------|--|--|---|
| Drug and<br>Substance abuse | Incorporate the issues in the programme during Sensitizations and training forums for traders.   | -Inadequate funding for<br>more sensitization forum<br>-Inadequate trained<br>facilitators   | Increase budgetary allocation and mainstream them in the budget cycle Improve on partnership, coordination and synergy among the stakeholders.  |
| Gender<br>Mainstreaming     | -Incorporate Gender issues in the programme during Sensitizations and training forums for tradersPreference Will be given to women during disbursement of funds for trade -Special preference will be given to women during allocation of market stalls and space in markets   | -Inadequate funding - Culture constraint and Reluctance among women in participating   | -Increase budgetary allocation and<br>mainstream them in the budget cycle<br>-Create more awareness among<br>women to change attitude   |
| HIV/AIDS                    | HIV/AIDS lessons will be included<br>in the programme during<br>Sensitizations and training forums   | -Lack of active departmental committee on HIV/AIDS   | -Establish and strengthen departmental HIV/AIDS committees  |
| Youth                       | -Incorporate the youth in the programme during Sensitizations and training forums for tradersPreference Will be given to Youth during disbursement of funds for trade -Link the youth to other business development institutions including funding ones  | -Inadequate funding -Failure by youth to meet collateral requirement -Low rate in participation among the youth in business activities -White collar job syndrome among youths   | -Increase budgetary allocation and mainstream them in the budget cycle -More emphasis on sensitizations and awareness among youth towards attitude change                                       |
| Persons with disabilities   | Incorporate PWD in the programme during Sensitizations and training forums for traders.  -Preference Will be given to persons with disabilities during disbursement of funds for trade  -Give consideration when allocating sites and space which are conducive for persons with disabilities  -Give trade license exemptions  -Market structure construction will factor in persons with disability to make it friendly (Ramps) | -Inadequate funding - Culture constraint towards persons with disability -Reluctance among persons with in participating Lack of funds Lack of partnership, coordination and synergy among actors in the sector. Inadequate data | -Increase budgetary allocation and mainstream them in the budget cycle -Encourage person with disability to participate in development activities -Promote "disability is not inability Slogan" |
| ICT                         | Promote ICT for more accurate and  |  |   |

| MDGs/SDGs | real time information access which will lead to more business  The Eight Millennium Development Goals are:  |  |   |
|-----------|---|--|---|
|           | GOAL 1:End poverty in all its forms everywhere: -Growth of trade will lead to more incomes among citizens hence poverty reduction -More employment creation in the sector hence economic empowerment among citizens   | -Inadequate funding<br>-Lack of strong policies on<br>MDGs/SDGs at the county      | Increase budgetary allocation and mainstream them in the budget cycle -MDGs/SDGs be incorporated in the county programmes |
|           | GOAL 2:End hunger, achieve food security and improve nutrituition and promote sustainable Agriculture: -Improve trading environment by constructing markets for agricultural produce for availability of food and also increased incomes  | Inadequate funding for improved market structures                                  | Increase budgetary allocation and mainstream them in the budget cycle   |
|           | GOAL 8: Promote sustained, inclusive and sustainable economic growth, full and productive employment and decent work for all; -Create a conducive environment for trade through market development leading to more employment opportunities -Prommote mobilization of savings through formation of friendly SACCOs for lending for income generating activities | -Low industrial activities in the County   | Increase budgetary allocation and mainstream them in the budget cycle -Promote industrial activities in the county        |
|           | GOAL 13: Take urgent action to combat climate change and its impactsPromote trading of environment friendly products  | -Lack of awareness on<br>climate change issues<br>among most business<br>community | -More awareness on climate change   |
